It Is Going To Hurt

....a lot, when I get shot.

Even though precautions will be taken

The cannon will be loaded with shrapnel

The doctors will work for some time before it is too late

At least, that's one way it plays out

The future is not pre-decided

Not for Us

Those who make their own destiny

Patty said we'll live in a 'fashionably' tiny house

And grow mushrooms

This is a heaven to me

I made a promise

Promises are meant to keep
